DETAILED ACTION

Drawings

1. The proposed drawings mailed on August 21, 2002 are approved by Examiner. However, applicant should submit formal replacement sheets with labeled as such in the header according to 37 CFR 1.121(d). Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The replacement drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for replacement drawings will not be held in abeyance.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

3. Authorization for this examiner's amendment was given in a telephone interview with Robert H. Berdo, Jr. on March 30, 2004.

The application has been amended as follows:

In claim 1, line 14, "an area" has been changed to --an entire area--.

REASONS FOR ALLOWANCE

4. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or reasonably suggest, either singularly or in combination, at least a plurality of adhesive lines using as reference lines that is disposed under a semiconductor element and on a circuit-forming surface of a semiconductor substrate, and the adhesive lines extending beyond and outside an entire area that is sealed by a sealing resin.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chris C. Chu whose telephone number is 571-272-1724. The examiner can normally be reached on 11:30 - 8:00.
